

Induction Range, 48", 6 Zones with SmartZone, Self-cleaning

Series 11 | Professional

Stainless Steel

Experience the ultimate cooking flexibility. The large induction cooktop allows you to create two large cook zones, while two ovens mean you can cook different dishes simultaneously

- Guided cooking using your touchscreen makes it simple to cook by food, function or recipe
- Six induction cooking zones, which can be paired to form two SmartZones
- 6.9 cu ft total oven capacity across two oven cavities
- Self-cleaning function breaks down food residue for an easy clean

DIMENSIONS

Height	35 3/4 - 36 3/4"
Width	47 7/8"
Depth	29 1/8"

FEATURES & BENEFITS

COOK WITH CONFIDENCE

Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favorite method, a hero ingredient, or a go-to cooking function or recipe. The screen tilts for improved ergonomics and optimal visibility while cooking.

GENEROUS CAPACITY

Two independently operating cavities provide a large total capacity of 4.8 cu. ft. in the main cavity and 2.1 cu. ft. in the secondary. That's enough room for a 32 lb turkey in one oven, and your sides in the other.

COOKING FLEXIBILITY

No matter what you're cooking, you've got the right heat to get perfect results. Each of the 15 oven functions in the main cavity and 11 in the secondary, have been extensively researched and carefully designed to cater to a broad range of dishes and cooking styles. The handy food probe helps you monitor your progress.

Cooktop power

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer to perfection. Since most of the heat generated by the cooktop is transferred into cookware, induction offers an energy-efficient cooking option.

Design quality

This range has craftsmanship in every detail, with real stainless steel, high-quality glass, and beautifully weighted, halo illuminated dials. Each cavity features incandescent lights and full extension telescopic racks. From the robust legs, to the powerful cooktop, this Range is built to last.

Easy to clean

The oven features a self-cleaning function and self-clean proof side racks, which don't need to be removed when using this function. The induction zones only need a quick wipe after use to keep them clean.

SPECIFICATIONS

Capacity

Shelf positions (main oven)	5
Shelf positions (second oven)	5
Total capacity (main oven)	4.8cu ft
Total capacity second oven	2.1cu ft
Usable capacity (main oven)	3.8cu ft
