25 cu. ft. QuatroCooling Convertible Refrigerator

Features & Specifications

Quatro Cooling System™: The Quatro Cooling System™ is Samsung's unique technology that provides controlled cooling. Each compartment is individually controlled and sealed. This makes sure your food is fresher longer and that your ice doesn't pick up unpleasant food tastes.

Multi-flow Vents: Cooling air flows out through multiple outlets at every shelf level. This provides even cooling throughout the refrigerator, and keeps energy use to a minimum.

Arctic Select Zone: The Arctic Select Zone is a mega-extension of the standard freezer allowing you to select temperatures from -20°F to 37°F letting you change a freezer to fridge to something in-between at the touch of a button.

Settings:

- Power Freeze -2°F
- Freeze -14°F to -6°F
- Soft Freeze 23°F
- Cool 35°F

Fresh Select Zone: The Fresh Select Zone is an extension of the standard refrigerator allowing you to select temperatures between 23°F to 39°F.

Settings:

- Soft Freeze 23°F
- Chill 30°F
- Cool 35°F
- Fresh 39°F

Vegetable & Fruit Drawer with

Humidity Seal: This unique sealing system helps preserve optimal humidity levels which are critical in maintaining freshness.

Automatic Ice Maker: Ensures fast ice-making of both crushed and cubed ice.

Spill-proof Tempered Glass Shelves:

The shelves are designed to contain all spills and allow for easy cleanup.

Foldable Shelf: This innovative shelf folds in half allowing you to place tall containers in your refrigerator.

Gallon Door Storage: In gallon storage door bin you can store large bottles of juice and milk.

Tilt Pockets: Tilt Pockets are engineered to tilt out 30 degrees giving you the perfect angle to easily take out and put back bulky items.

Water Filter: This filter can be easily changed with just a quarter turn.

Tower Lighting System: Luminance of over 680 Lux brightens the fridge contents.

Digital Display and Control: Slick, sophisticated, easy-to-use, the touch screen digital display adds style and convenience.

Water & Ice Dispenser: A high dispenser ceiling enables users to use tall glasses and pitchers.

Hidden Hinges: Hinges are hidden behind the doors for a custom built in look.

Easy Sliding Drawers: The convenient pull out system not only makes the compartments easy to use, but maximizes storage space.
