### Signature Features

#### Available Colors

#### Twin Cooling Plus System®

Uses two evaporators with only one compressor to independently control temperature in the refrigerator and freezer compartments, maintaining optimal humidity levels and preventing odor transfers between compartments.

#### Power Freeze and Power Cool Options

Convenient temperature controls  
For when foods need to be brought down to a lower temperature quickly.

#### Multi Air Flow

Provides even cooling throughout the refrigerator to maintain optimal temperatures to keep food fresh.

\* Samsung received the highest numerical score for refrigerators in the proprietary J.D. Power and Associates 2005-2007 Major Home Appliance Studies and 2008-2010 Kitchen Appliance StudiesSM. (2007-2008 received award for satisfaction with side-by-side/French door refrigerators). Study based on 15,853 total responses measuring 16 brands and measures opinions of consumers who purchased refrigerators from a retail store or their new-home builder during the previous 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in March-April 2010. Your experiences may vary. Visit jdpower.com.

## 30 cu. ft. Side by Side Refrigerator

### Installing your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to chart B below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entry way in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual on-line at [samsung.com](http://samsung.com).

### Dimensions

#### Refrigerator: 18.1 cu. ft.

- Multi Air Flow
- Upper and Lower Drawers
