

Liebherr / RU-510

24" Under-counter Beverage Center

The Liebherr RU-510 24-In. Grand Cru Built-In Undercounter Beverage Center chills every drink to perfection and allows them to be kept close at hand in any kitchen, bar, or entertainment area. Whether you are entertaining a large group or having a quiet family night at home, the new RU-510 has an amazing capacity as well as superior storage capabilities within the framework of a sophisticated design that blends beautifully with any decor. This contemporary unit features a glass door for a clear view and an elegant stainless steel frame that can also accommodate a custom panel, if desired. The unit offers storage flexibility with two stainless steel-trimmed glass storage shelves, plus a convenient split shelf for taller items and a pullout metal rack. The electronic control system is situated at the top of the interior and is visible through the glass door. The temperature can be set from +37 degrees Fahrenheit to +68 degrees Fahrenheit. The cabinet includes a lock for protection.
