COMPACT VAPOR GENERATOR

PRODUCT SPECIFICATIONS

RE-THINKING THE IRON

The all new Velocity 200IR compact vapor generator iron is the ultimate expression of our iron know how. The Velocity 200IR thinks (and more importantly acts) like a pro iron. Water is heated internally so it turns into steam before it even reaches the sole plate (like our pro models). The end result is a steam iron that doesn't leak and doesn't spit water and delivers continuous steam that will astonish you.

THIS IS WORK?

The goal of all irons is to get out of the way and let you get your ironing done. No other iron allows you do this better than the Velocity 200IR. From its easy to use sensor touch handle to its super glide and scratch resistant anodized aluminum soleplate, the Velocity 200IR is the finest home iron you can invest in.
