AF-R80NX

Sharp continues to bring you stylish, lightweight and compact air conditioners that fit your lifestyle. The Remote Series Comfort Touch® air conditioners offer ultimate convenience with a 12-hour timer delay on/off feature and a one-degree temperature control.

Features:

Comfort Touch® Controls – Convenience is standard with Sharp's user-friendly Comfort Touch controls. With a 12-hour on/off timer feature and one-degree temperature control, there's virtually no more temperature guessing. Simply set the controls and forget about it!

Rest Easy® Remote enables you to turn the unit on or off, adjust the temperature, change the fan speed, or set the timer with the touch of a button

Slide-Out Washable Filter for easy removal and cleaning.

4-Way Air Direction lets you direct the cool air where you want it most.

Energy-Save Mode – When the optimal temperature is met, the fan and compressor stop.

Auto-Cool adjusts the fan speed in response to the cooling demand for powerful cooling when the demand is high and quiet comfort when the demand is low.

Complies with power cord regulations: Leakage Current Detection and Interruption Device (LCDI) included.
