

SCM1800M2

16.0" x 19.25" x 23.75" (H x W x D)

Dual magnetron commercial microwave in stainless steel

Highlights:

Commercially approved to NSF standards with a heavy duty design specially featured for the foodservice industry

Stainless steel construction ensures long-lasting durability in busy settings

Dual magnetron design ensures even heating with faster results

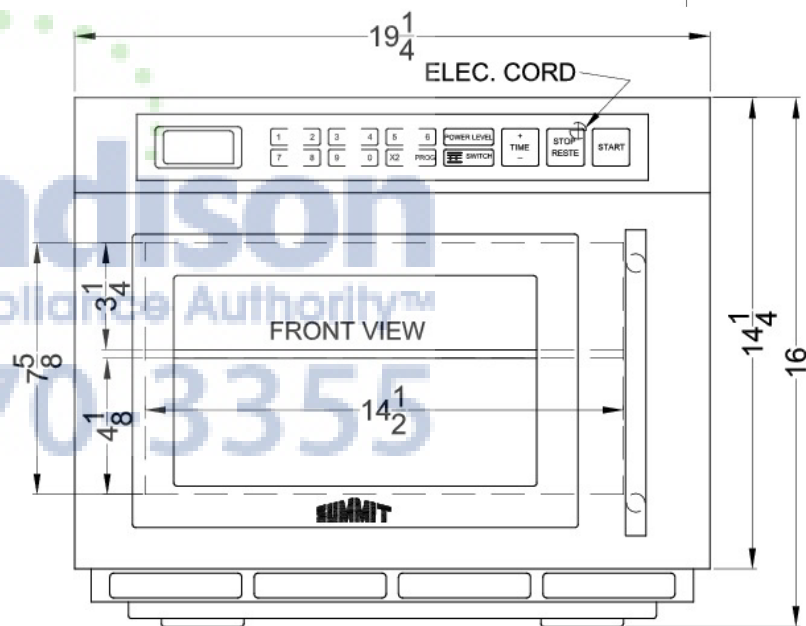

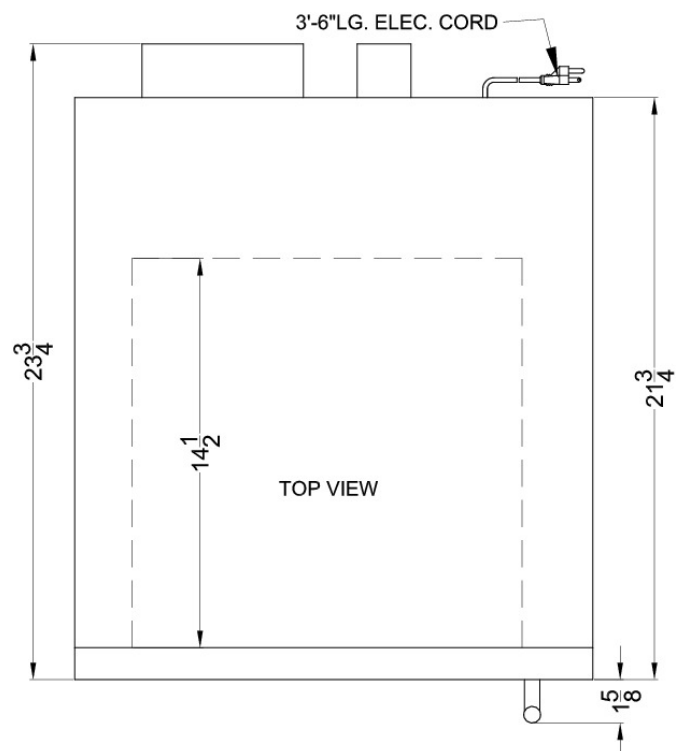

Save up to 20 frequently used cooking programs for easy one-touch operation

Stainless steel construction	Durable construction inside and out for heavy duty use in high traffic areas
Dual magnetron design	Two sources of microwave heat ensure faster cooking with increased power
Commercially listed	Approved to NSF standards for use in the foodservice industry
Removable shelf	Heavy duty ceramic board lets you cook more items with its innovative shelf design, maximizing the 1.1 cu.ft. interior
Digital controls	Intuitive digital touch controls with large LED readout for easy cooking
One-touch cooking programs	Save up to 20 cooking programs for fast and intuitive use
Multiple power levels	10 levels of heating allow you to find the perfect heat setting for every item
Multi-stage cooking	More flexibility when cooking with programmable settings to adjust heat as you cook
Operations count	Allows the user to analyze the usage of the microwave and its saved cooking programs for a better understanding of traffic flow
Single magnetron option	Setting can be switched to single magnetron function to save on power

SCM1800M2 Specifications:

Height	16.0"
Width	19.25"
Depth	23.75"
Capacity	1.1 cu.ft.
Ext Depth with Handle	25.38"
Shipping Weight	85.0 lbs.
Weight	76.0 lbs.
Wattage	1800.0 watts
Canadian Electrical Safety	ETL-C
Amps	15.0
Voltage/Frequency	220 V AC/60 Hz
US Electrical Safety	ETL
Depth with door at 90°	41.75"
Digital Display	true
Control Pad Type	Digital
Microwave Rack	true
Parts/Labor Warranty	1 Year
Sanitation	ETL-S
