

Fig. n° 08

## MODEL NUMBER PLATE

The Model Number Plate is located on the underneath case. A second Model Number Plate is applied on the front page of the instruction booklet.

## CONNECTING THE OVEN

### Electrical Supply

The appliance, when installed, must be electrically grounded in accordance with local codes or, in absence of local codes, with National Electrical Code, ANSI/NFPA 70.

In Canada the appliance must be installed in accordance with the current CSA Standard C22.1 - Canadian Electrical Code part 1.

**IMPORTANT:** The appliance must only be installed by a qualified and specialized electrician.
