PRODUCT FEATURES

Coveted Cold Technology

The purest level of refreshment has been perfected in this refrigeration centre. Unique technology consistently preserves your beverages at 34° F, which is the ideal temperature to serve drinks to family and friends.

Luxury obstruction Free

The zero-clearance hinge system on this unit makes for a flush fit integrated built-in that will blend seamlessly with neighbouring cabinets. Surrounding surfaces will also be safe from bumps and nicks due to these ingeniously designed door joints

Shedding Illumination

Set the mood with our Pro-luminosity feature, select the interior lighting, a crisp arctic white or chill azure blue. Choose the intensity, bright and bold at 100% illumination or soft and subtle at 50% illumination.

*Where some see room for an appliance;
We see room for an experience*
