## A COMPACT DISHWASHER PACKED WITH FEATURES

The Sharp® SDW4523MS 18" Stainless Steel Dishwasher is the perfect solution for compact kitchens, offering the quality you deserve in a compact, 18-inch design. With six washing cycles, six options, a versatile 8-place setting capacity and removable third rack, the SDW4523MS delivers powerful performance in a size you need.

The Auto and Normal washing cycles work with smart sensors to automatically optimize performance. The Auto Door Open feature helps expedite the after-wash drying efficiency by pushing the moisture outside of the heated tub. The Wash Zone option gives you the freedom to use the upper or lower rack depending on the amount of dishes you want to wash.

The durable, stainless steel finish is easy to clean and complements other stainless steel appliances, while the back lit touch control panel with adaptive option indication shows available options for the washing cycle selected by dim lighting.

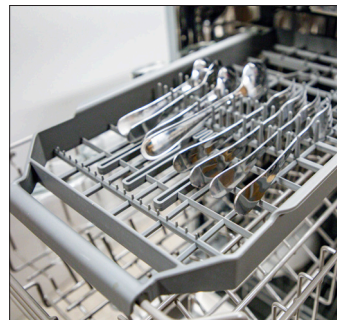

The powerful and versatile features of this premium dishwasher give you more than peace of mind. Designed with space saving in mind, the Sharp SDW4523MS gives you peace and quiet at a serene 47dB. Balance and Harmony. Exceptional Quality. The SDW4523MS Stainless Steel Dishwasher from Sharp is a perfect fit for your compact kitchen.

A sleek design with Fingerprint resistant Stainless Steel door.

Adaptive Option Indication using the back lit control panel shows you available options for each washing cycle.

The Removable Third Rack is ideal for flatware and serving instruments such as spatulas and other baking utensils.

The Auto Door Open feature provides quick and effective drying, especially ideal for plastic items.
