

Emerson Quiet / EAD40EP1T

40 Pint Dehumidifier w/Integrated Pump

The Emerson Quiet Kool 40-pint dehumidifier with built-in vertical pump controls humidity levels in your home and saves you money on your energy bills with Energy Star efficiency. The internal pump provides continuous upward drainage for areas without a low level drain (pump hose included). Removing up to 40 pints of moisture per 24 hours, this unit offers Basement mode and Bedroom mode with preprogrammed humidity levels ideal for each location. Plus, you'll enjoy peace of mind with our 1-2-5 years warranty: 1 year labor, 2 years parts and 5 years compressor. Stay comfortable with Emerson Quiet Kool dehumidifiers.

- Portable dehumidifier removes up to 40 pints of moisture per 24 hours
- Internal vertical pump for continuous upward drainage (pump hose included)
- 1-2-5 years warranty! (1 year labor, 2 years parts and 5 years compressor)
- Sleek, pure and simple design blends into any decor
- Basement and Bedroom modes offers preprogrammed humidity levels ideal for each location
- 24-hour timer allows you to preset the time to turn on or off the machine
- Digital display offers a convenient and accurate humidity level readout
- Adjustable humidity range of 35-80% relative humidity
- Choice of 3 fan speeds (low, medium and high) to achieve and maintain your comfort level
- Auto Defrost function so when the compressor cycles off, the fan continues to run until any frost disappears
- During a power outage, Auto Restart resumes operating at its previous settings when power is restored
- Omni-directional casters easily rolls unit from place to place, plus side handles for easy lifting and carrying
- Bucket Full and Clean Filter indicators light up when the bucket is full and then filter needs to be cleaned
- Unit automatically shuts off when the water collection bucket is almost full (11.3 pints)
- Water level Indicator allows you to easily read how much water has accumulated
- Anti-splash guard makes emptying the bucket hassle-free
- Easy-to-access filter with clean filter alert to reduce airborne

particles

- Child Lock function with indicator light prevents setting changes by locking the electronic control panel
- Low Temp operation down to 41° F is perfect for basement use in winter
- 4.9-ft. cord length with NEMA 5-15P plug uses standard 115V electrical outlet (U.L. listed)
