

Emerson Quiet / EAD40SEP1T

40 Pint Dehumidifier w/Integrated Pump and Wifi

The Emerson Quiet Kool 40-pint SMART dehumidifier, with built-in vertical pump, controls humidity levels in your home. The internal pump provides continuous upward drainage for areas without a low level drain (pump hose included). Removing up to 40 pints of moisture per 24 hours, this unit offers Basement mode and Bedroom mode with preprogrammed humidity levels ideal for each location. With Wi-Fi, you can control and monitor your dehumidifier with your smartphone while you are on the go. With Wi-Fi, you can control and monitor your dehumidifier with your smartphone while you are on the go. This model also works with Amazon Alexa and Google Home devices. After a simple setup, enjoy hands-free comfort by using voice commands to control your dehumidifier. Plus, you'll enjoy peace of mind with our 1-2-5 years warranty: 1 year labor, 2 years parts and 5 years compressor. Stay comfortable with Emerson Quiet Kool dehumidifiers.
