

## Honeywell / MN1CFSWW8

Honeywell 11,000 BTU Portable Air Conditioner, Dehumidifier & Fan

Stay cool and dry with this MN1CFSWW8 Honeywell Classic Series dual hose portable air conditioner. This unit combines 3-in-1 technology in one sleek body, cooling and dehumidifying rooms up to 500 square feet. It features an auto-evaporation system, a reliable dehumidifying function, and a traditional three-speed fan function to deliver optimum cooling, dehumidification, and fresh ventilation. The full-function remote control allows you to operate each feature from across the room. Unlike a fixed air conditioner, the Honeywell Portable Air Conditioner requires no permanent installation, and smooth-gliding wheels make sliding it from room to room a breeze. This portable air conditioner comes with everything needed, including a flexible exhaust hose and an easy-to-install window venting kit, which can be removed when the unit is not in use.

- Portable air conditioner cools rooms up to 500 sq. ft.
- Quiet operation (52 dbA)
- R32 environmentally friendly refrigerant
- Auto-Evaporation System: Collected water from cooling is removed automatically. No bucket, no-drip design (this operation depends on the humidity level at your location)
- In Fan mode unit will gently circulates air when air conditioner cooling is not needed
- Removes excess moisture from air (ideal for areas with high humidity like basements)
- Dehumidification capacity of up to 50 pints per 24 hours
- Continuous Drain System: Connect a standard garden hose tube to continuously drain water collected when using in Dehumidifying Mode
- Easy-to-install window venting kit with adjustable window bracket, drain pan, and insulation tape included
- Smooth-gliding caster wheels easily roll unit from room to room
- Multiple fan speeds: High, Medium, Low
- 200 CFM powerful airflow
- Washable filter helps catch unwanted dust particles in the air
- Digital LED display with feather-touch controls
- Remote control with LCD display
- Programmable timer allows you to set unit to turn on or off up to 24 hours in advance
- 1-year limited warranty
