

Honeywell / TP70AWKN

50 Pint Dehumidifier(70 Pint 2012 DOE Standard) W/ Alexa Control, E-Star

Backed by our outstanding warranty, the Honeywell Energy Star 70-pint (50 Pint 2019 DOE Standard) smart dehumidifier is the trusted choice for a reliable, long-lasting dehumidifier for your home. The TP70AWKN removes moisture with less energy than conventional dehumidifiers, saving energy costs! Powerful dehumidifier for rooms up to 4,000 square feet: The Honeywell Energy Star 70-pint (50 Pint 2019 DOE Standard) smart dehumidifier is an ideal choice for reliable and long-lasting control of humidity levels in your home. The powerful technology removes up to 70 pints of moisture from the air each day to protect walls, curtains, furniture, and appliances from excess moisture. Removes household allergens: By removing household allergens like mold and dust, the unit combats health complications caused by damp air and excess moisture in your home. And with no filter replacements needed, simply wash the reusable filter under your faucet, with a Filter Clean alert to notify you when to clean. Ideal for a variety of spaces: Perfect for garages, basements, bedrooms, and more, the Honeywell Energy Star 70-pint is an excellent solution for damp rooms. By using less energy than conventional dehumidifiers, Honeywell saves on energy while improving comfort. And when placed in laundry rooms, the unit can help accelerate drying time of hang-to-dry pieces by removing moisture from the air. Reduce humidity with a top-rated, trustworthy brand: Backed by an outstanding warranty, all Honeywell dehumidifiers are top rated by an independent, US-based product safety-testing agency since 2016. With Honeywell, you'll enjoy peace of mind with a brand that you trust. Smart and versatile technology for your convenience: Both Wi-Fi-enabled and compatible with Amazon Alexa voice commands, the unit allows you to control your indoor humidity levels from almost anywhere. When paired with the Smart Dehumidifier App, you can monitor your unit without disrupting your busy routine. Easy to use: Designed with a detachable water tank and comfort-grip handle and no-spill tank guards, you'll enjoy a mess-free process when emptying your dehumidifier. And for continuous drainage, connect the included drainage tube for an even simpler process.

- Energy Star qualified dehumidifier removes moisture with less energy than conventional dehumidifiers
- Built to last for daily use, Honeywell dehumidifiers are carefully manufactured with extra safety features including Thermal Overload Protection on the compressor and Fuse Protection on the motor to protect from overheating
- Wi-Fi-Enabled and compatible with Amazon Alexa voice commands, this Smart Dehumidifier can be controlled from almost anywhere
- Controls humidity for a more comfortable home environment
- Laundry Room & Linen Closet: Accelerates the drying of hang-to-dry clothes
- The water tank is equipped with patent-pending Splash Guards to avoid messy spills, and a drain tube is included for long unattended operation
- Washable filter helps reduce dust and is easily cleaned under a faucet - no replacement filters required
- Smart digital controls make operation almost effortless and a unique and elegant front mirage display lets you monitor humidity changes from across the room
- Smooth gliding wheels
- Cord winder for easy storage
- We are proud of our service and when in need, you can connect directly to a Honeywell Dehumidifier in-house support member, ready to assist you (except on holidays)
