

## Keystone / KSTAW18C

18,000 BTU Window Air Conditioner

At Keystone, your family's comfort starts here. Keystone's budget-friendly 18,000/17,700 BTU 230V window/wall air conditioner is designed with a removable chassis so you can install it either in a window or through an exterior wall. Our two-in-one installation marvel includes an adjustable window kit for convenient window installation. For wall installation, you can use an existing compatible wall sleeve or purchase one of ours separately. This unit requires a special 230-volt/20-amp electrical outlet and will not operate with a standard 115V household electrical outlet. It is packed with money-saving features including energy saver mode, sleep mode and a programmable 24-hour timer. Add the convenience of our easy-to-use Follow Me LCD remote control, and everyone can relax in cool, blissful comfort.

- Energy Star: 11.8 Energy Efficiency Ratio (EER)
- 18,000/17,700 BTU air conditioner with removable chassis for window and wall installation
