

Midea / MMO19S3AST

1.9 CF Over-the-Range Microwave

Our versatile over-the-range microwave oven features a large, 1.9-cu. ft. capacity, perfect for large plates and platters. A moisture sensor automatically adjusts cooking times based on your food's water content. A powerful ventilation fan can either recirculate smoke and odors from the range below or externally vent them when connected to an exhaust duct. Pair with our new Midea range and the fan and LED light will automatically turn on when the range is in use.

- 1.9-cu. ft. over-the-range microwave
- Large capacity accommodates large plates and casserole dishes
- Sensor Cooking detects moisture changes to determine proper cooking levels and times
- DiamondBack pattern provides additional energy for improved cooking distribution
- 2-speed 300 CFM fan powerfully removes smoke and odors from the cooktop
- LED lighting brightly illuminates the cooktop surface
- Minimal exterior design blends well in any kitchen
