
Midea / WHS-625FWESS1

17.0 CF Upright Freezer, Convertible

Utilize Midea's upright convertible freezer to stockpile your most frequently used frozen foods. Its 17-cu. ft. capacity will hold approximately 595 pounds of groceries, allowing you to take advantage of sales on high-priced butcher's favorites. The slide-out bulk storage basket helps keep small foods organized, while the adjustable shelves can be utilized for larger items. The electronic temperature controls allows for precise selection so you can set your freezer at the correct temperature for your needs. This high efficient, Energy Star rated unit can be a quality addition to your household.

- 17-cu. ft. upright freezer
- 2-in-1 freezer or refrigerator
- Electronic temperature controls are easy to use
- Automatic interior LED light turns on when the door is opened
