- 1200 RPM
- LoDecibel™ Quiet Operation
- Highly Energy and Water Efficient
- SenseClean™
- 9 Washing Programs
- 5 Temperature Settings
- Delay Wash (Up to 19 Hours)
- 10° TiTub™

STYLISH DESIGN

- Upfront Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
- Chrome Door with Glass
- Stackable with Matching Dryer
- Optional Matching Drawer Pedestal

Inverter
Direct Drive

BETWEEN SAVINGS AND PERFORMANCE, CHOOSE BOTH

Never again compromise the cleanliness of your clothes to save some money. Together, our ColdWash™ and 6Motion™ technologies give you what seemed impossible: cold-water savings with warm-water performance. And, since it's powered by LG's Direct Drive Motor, this washer is so reliable, it comes with a 10-year warranty. As you can see, compromise is not in our dictionary. Why would it be in yours?

ColdWash™ Option

Now using the cold cycle on your washer doesn't mean compromising how clean your clothes are. ColdWash™ option uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold water savings with warm water performance.

6Motion™ Technology

Get your clothes cleaner and help them last longer with revolutionary 6Motion™ Technology. Each wash cycle combines up to 6 different wash motions to provide outstanding cleaning while being gentle on fabrics.

Direct Drive Motor

When you buy a washer, you don't want to worry that it won't last. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.
