

TDS1-20

Tower Drawer Single

DCS Tower Drawers offer a convenient storage solution. Weather resistant and durable, the drawers are designed to store everything from tools to condiments and serveware. Understanding that outdoor kitchen designs require the same level of functionality as indoor, DCS Tower Drawers can be installed in many configurations.

Width	20 5/16"

Features & Benefits

- Flexible storage**
DCS's soft-close drawer with full extension slide provides easy access to your condiments, smoker wood chips, serving trays or grill covers.
- Family match**
The neutral stainless steel finish, refined handle profile and consistent detailing ensure DCS built-in products install seamlessly into your countertop and cabinetry palette.
- Premium quality design**
Constructed from 304-grade stainless steel, and featuring superior weld and finish, DCS tower drawers are built to last.
