Since 1955, Faber has been making high quality, Italian engineered kitchen range hoods.

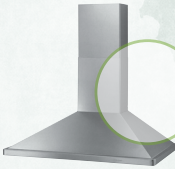

With over 30 models to choose from, Faber offers the style, selection and features to vent your kitchen and clean the air.

At Faber, Air Matters and has been important for over sixty years. Over that time we have created, designed and manufactured hoods to become a global leader in fine Italian range hoods. We transformed the range hood from a basic element in the kitchen to a beautiful and functional appliance.
