-25° C capable	Low temperature operation is ideal for vaccine, pharmaceuticals, and other temperature sensitive materials
Built-in capable	Make the best use of space by installing your appliance under the counter and flush with other cabinets
Slim undercounter dimensions	Less than 24 inches wide to fit tight spaces
Fully finished cabinet	Allows the freezer to be used as a freestanding model
Manual defrost	No temperature fluctuations with a static manual defrost system that keeps the cold inside
Three removable storage baskets	Conveniently organize your items while keeping the temperature stable when the door is opened
Adjustable thermostat	Manage the interior temperature with ease and accuracy
One piece interior liner	Enjoy easy clean-up with a one piece liner that won't hold a mess in hidden crevices
Reversible door	Keep your options flexible with a reversible door that is easy to switch when your arrangement changes; not available on stainless steel doors
100% CFC free	Environmentally friendly design without ozone-damaging chemicals
