-25° C capable

Low temperature operation is ideal for vaccine, pharmaceuticals, and other temperature sensitive materials

Slim undercounter dimensions

Less than 24 inches wide to fit tight spaces

Manual defrost

No temperature fluctuations with a static manual defrost system that keeps the cold inside

Adjustable thermostat

Manage the interior temperature with ease and accuracy

Three removable storage baskets

Conveniently organize your items while keeping the temperature stable when the door is opened

One piece interior liner

Seamless interior for easier cleanup

No internal fans

Static cooling system

Reversible door

Keep your options flexible with a reversible door that is easy to switch when your arrangement changes; not available stainless steel doors

100% CFC free

Environmentally friendly design without ozone-damaging chemicals

Stainless steel door frame

Models ending in FR and IF let you customize your front by inserting a panel on the door frame
