

FRENCH DOOR BUILT-IN REFRIGERATOR

Functional styling for your refrigerator.

The Viking Professional French Door Built-In Refrigerator with pullout freezer drawer delivers professional performance to keep food fresh and at the perfect temperature. Two doors are truly better than one with stylish, yet convenient, twin-door refrigerator access. The two doors provide the added storage needed to stay fully stocked with all the family's favorites.

Available in Stainless Steel (SS)

FRENCH DOOR REFRIGERATOR FEATURES

Electronic Control Features

- Electronic controls with digital temperature readout maintain the selected temperature in both refrigerator and freezer compartments
- Max Cold™ feature sets refrigerator and freezer temperature to lowest setting
- Adaptive defrost controls the timing of the defrost periods instead of an electromechanical defrost timer and helps prevent freezer burn
- Door open alarm warns when door has been ajar for five minutes
- Water filter indicator light illuminates when water filter needs replacing

Adjustable ColdZone™ Drawers

- Two drawers offer adjustable temperature controls with settings that include Deli, Produce, Meats, and Quick Chill
- Allows storage of foods 3-5 degrees colder than main compartment
- Additional storage in two crisper drawers for preserving fruits and vegetables

Maximizing Storage

- Two adjustable glass Spillproof Plus™ Shelves with Nano technology create an invisible barrier to contain spills
 - Seamless glass shelves make cleanup easy and maximize usable space
 - 3/8" thick tempered glass shelves provide industry leading durability
- Two in-the-door utility bins with covers
- Six adjustable door bins; two with gallon storage
- Base grille water filtration system provides filtered drinking water and ice without taking up refrigerator space

The Industry's Best and Most Comprehensive Warranty

- **3-year** full – complete product
- **6-year** full – sealed refrigeration system
- **Lifetime** limited – stainless steel exterior
- **12-year** limited – sealed refrigeration system
