ENERGY STAR® RATED:

Rated CEE Tier 3 & Most Efficient

MEF = 3.12

WCF = 3.01

94 kWh/yr

Ranked "Highest in Customer Satisfaction with Clothes Washers" by J.D. Power and Associates. (4 Consecutive Years)*

SIGNATURE FEATURES

Samsung's Vibration Reduction Technology (VRT™)

Allows installation on second floors or near bedrooms because it provides smooth operation at spin speeds up to 1100 revolutions per minute, significantly reducing vibration and noise while improving handling of unbalanced loads.

Self-cleaning washer for the ultimate clean

PureCycle™ washers have a special cleaning cycle that runs hot water (rather than harsh chemicals) through the spinning drum, to remove dirt and detergent residue. Now your washer and your clothes will truly stay clean and fresh.

ENERGY STAR® certified to save power and money

ENERGY STAR® certification means this model helps the environment by using less energy, which means less money you spend on electricity. ENERGY STAR® is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy promoting energy efficiency.

Peace of mind with NSF®-certified sanitization cycle

Samsung's NSF®-certified washers eliminate 99.9% of household bacteria from laundry.

Samsung Front Load Washer

INSTALLATION OPTIONS:

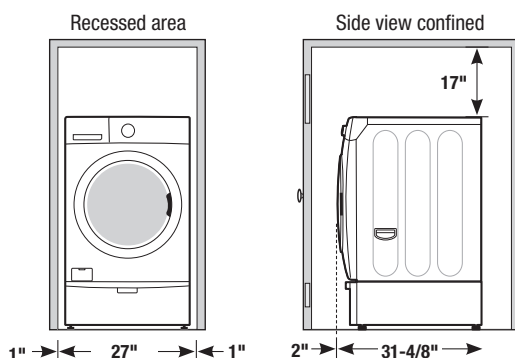

INSTALLING YOUR WASHER

1. Alcove or closet installation

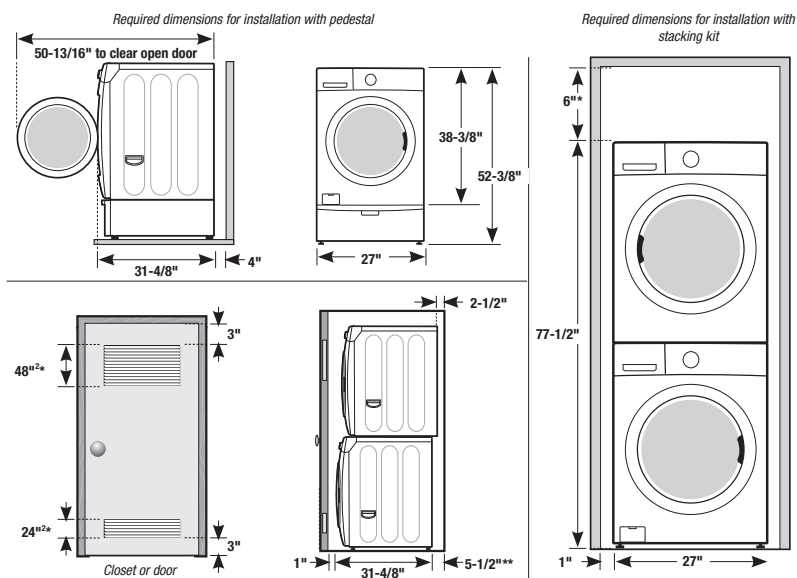

Minimum clearances
for closets and alcove:

Sides – 1" (2.5 cm)
Top – 17" (43.2 cm)
Rear – 4" (10.2 cm)
Closet Front – 2" (5.1 cm)

If the washer and dryer are installed together, the closet front must have at least a 72 in² (465 cm²) unobstructed air opening. Your washer alone does not require a specific air opening.

2. With optional pedestal base or stacking kit

* Required spacing.

** External exhaust elbow requires additional space.

3.6 capacity (cu. ft./DOE)

8 preset wash cycles:

Normal, Heavy Duty, Permanent Press, Sanitize, Delicates/Hand Wash, Wool, Quick Wash, Rinse and Spin

6 options:

PureCycle, Delay Start— up to 19 hours, Extra Rinse, Signal On/Off Button, Child Lock, Add A Garment

4 temperature settings:

Hot/Cold, Warm/Warm, Warm/Cold, Cold/Cold

4 spin settings:

High, Medium, Low, No Spin

3 soil settings:

Heavy, Normal, Light

Warranty

One (1) Year Parts and Labor
Two (2) Years Control Board
Three (3) Years Stainless Steel Drum
Ten (10) Years Direct Drive Motor
