5.1 cu. ft. Freestanding Gas Range with Under-Oven Broiler

Color Black

Product Description

Enjoy the flexibility and efficiency you need to prepare holiday meals and everything in between with this 5.1 cu. ft. capacity freestanding gas range. Toasting a large batch of garlic bread or melting cheese on burgers for the whole family is easy with the full-width under-oven broiler, which provides enough space to broil an entire rack of food. Multiple Power™ burners with up to 15,000 BTUs are perfect for high heat tasks like searing and frying, while continuous, satin-finish cast-iron grates let you slide heavy pots and pans to the optimal cooking location. The upswept, porcelain SpillGuard™ cooktop contains spills for easy cleanup. Plus, you can monitor cooking progress without opening the door and disturbing the oven temperature with the large oven window.
