6.7 Cu. Ft. Electric Double Oven Range with True Convection

Color Stainless Steel

Product Description

Get dinner on the table quickly with this electric double oven range. True convection cooking lets you cook food faster. Convection Conversion will do the math for you to adjust cooking times and temperatures. Skip preheating this kitchen range for frozen favorites like pizza, lasagna, chicken nuggets, fries or pies, thanks to Frozen Bake™ technology. The FlexHeat™ triple radiant element is like having three elements in one to fit small pots and pans and make room for larger cookware on the range stove. And if you make a mess, AquaLift® self-cleaning technology provides this kitchen range with odor-free cleaning without harsh chemicals in only 50 minutes.
