QUIET, RELIABLE, AND SPACIOUS. IS IT A WASHER? OR SOMETHING BETTER?

A washer with loads of space, tons of style and nothing of noise. Thanks to TrueBalance™ Anti-Vibration system it counterbalances uneven loads and reduces noise to a minimum, so you can run it anytime, anywhere – even on the second floor. Powered by our highly efficient Direct Drive motor this washer is so reliable it comes with a 10-year warranty. Enjoy at least a decade of clean clothes and clean conscience.

The TrueBalance™ Anti-Vibration system is designed to minimize washer vibration for smooth, quiet performance in just about any room of the house – even on the second floor.

Direct Drive Motor

Power is delivered right to the drum from the motor without belts, resulting in a highly durable, powerful and quiet washing machine.

Large Capacity

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The extra-large capacity (4.0 cu.ft.) tub lets you do more laundry in fewer loads. That's time saved and sore backs avoided.
