

WPD38I SERIES RANGE HOOD

Especially designed to be installed outdoors in a covered patio or lanai area. For use over residential commercial-style cooking surfaces or gas and electric grills. This unit is not for use with a charcoal grill. A complete installation requires several optional components. Refer to page 2 when planning your installation.

FEATURES

- Professional outdoor design.
- 27-inch depth handles heat and size of outdoor grilles (optional 3" wall extension to increase depth to 30").
- Brushed corrosion resistant 304 Stainless Steel.
- Three widths: 36, 48, and 60 inches.
- Powerful, SuperPro 1200™ internal blower - tested to assure operation in corrosive environments.
- Bright halogen lighting (2 x 50 watt GU10 for 36-in. hood, 3 x 50 watt GU10 for 48-in. & 60-in. hoods) (bulbs included).
- 4-speed rotary control - tested to assure operation in corrosive environments.
- 304 Stainless Steel baffle filters - easily accessible and dishwasher-safe.
- Removable grease tray - easy to clean.
- Heat Sentry™ detects excessive heat and adjusts blower speed automatically.
- UL Listed for use in damp locations when properly connected to a GFCI circuit.

SPECIFICATIONS

VOLTS	HZ	AMPS	CFM	SONES	DUCT
120	60	9.0 MAX.	1160	11.0	10-in. ROUND

HVI-2100 CERTIFIED RATINGS comply with new testing technologies and procedures prescribed by the Home Ventilating Institute, for off-the-shelf products, as they are available to consumers. Product performance is rated at 0.1 in. static pressure, based on tests conducted in a state-of-the-art test laboratory. Sones are a measure of humanly-perceived loudness, based on laboratory measurements.

WALL EXTENSION (optional)

- Extends front of hood out an extra 3" (to 30") - eliminates custom wall bump-outs.
- Stainless Steel construction - matches range hood.
- Attaches to wall and back of range hood.

Model AWWPD336SB - 36-in. width
 Model AWWPD348SB - 48-in. width
 Model AWWPD360SB - 60-in. width

FLUE COVER (optional)

- Stainless Steel construction - matches range hood.
- Attaches to top of range hood shell.
- Hides ducting and wipes clean easily.
- Extended depth available for hoods using the 3" wall extension.
