WPRE6150K

GE Profile™ ENERGY STAR® 4.1 IEC Cu. Ft. Colossal Capacity High-Efficiency Washer

Features and Benefits

- ENERGY STAR® Qualified - Meets or exceeds federal guidelines for energy efficiency, which means year-round energy and money savings
- 4.1 IEC* Cu. Ft. Colossal Capacity - Makes room for more items which means less time doing laundry *Washes equivalent amount of clothes as a similar cu. ft. agitator machine per IEC 60456 Edition 4
- PreciseFill Auto-Load-Sensing Technology - Washer will automatically measure the load size and add just the right amount of water
- HydroWave™ Wash System - Has variable speeds to match the wash action to the clothing type; Longer, slower travel through the water improves cleaning performance and is gentler on your clothes
- Multiple Wash/Spin Speed Combinations - Change speeds and match wash action to selected fabric type for great cleaning and clothes care
- RainShower™ Rinse System - Uses less water, providing clean rinse performance similar to a high-efficiency washer
- Multiple Wash Cycles - Delivers optimal cleaning results
- 6 Wash/Rinse Temperatures - Offer greater degree of control over fabric cleaning and care
- Variable Water Levels - Give you the option of adjusting the water levels to match load size, reducing water usage
- 2nd Rinse Option - Helps protect delicate fabrics and sensitive skin
- Extended Spin - Longer spin means less time drying
- Model WPRE6150KWT – White with silver backslash
