

GE Monogram® Fully Integrated Dishwasher

Model#: ZBD6920DSS

- Steam prewash option - Helps loosen tough soils before any cycle; Automatically runs with the selection of the Scour Wash cycle or can be selected as an option before any cycle
- Quiet operation - Is made possible by advanced sound-absorbing materials and a smooth-running motor
- ENERGY STAR® qualification - As an ENERGY STAR® partner, GE has determined that all Monogram full-size dishwashers meet the ENERGY STAR® guidelines for energy efficiency and water conservation (CEE Tier II certified)
- Large sized interior - Provides the space and loading flexibility necessary to accommodate 16 place settings
- Stainless steel tub - Retains its attractive shine cycle after cycle, year after year
- Monogram-exclusive platinum color, ball-tipped racks - Have an elegant pearlescent finish that complements the stainless steel interior
- Extraclean turbidity sensor - Continually monitors the amount of soil on dishes and makes the necessary wash-cycle adjustments for an exceptional clean
- Powerful, forced-air drying system - Continually extracts moist air from the tub, leaving dishes thoroughly dry and ready to use
- Three spray arms - Provide complete cleaning coverage, even when the dishwasher is fully loaded with plates, bowls and pots
- Antibacterial cycle - Sanitizes dishes by reducing 99.9% of

FEATURES

Style	Built-In
