

Steel the scene!

Brisas BMIS wall

With its curved, stainless steel frame, Brisas BMIS looks as delicate as its Brisas BMI counterpart until you look under its 18-gauge curved stainless steel wing. With reliable 3-speed mechanical controls, front-loaded 50-watt halogen lights bulbs and the supersized 5-ply aluminum mesh filter, the Brisas BMIS wall-mounted range hood complements the strong, silent 600-cfm internal motor. So be the star with confidence with Brisas BMIS.
