- **Sophisticated Styling** - The flush, frameless design offers a stunning look of sleek simplicity, and the surface is completely solid for a dramatic true color appearance
- **Cooking Versatility** - Elements vary from 6" to 12" in diameter and can be expanded to suit your cooking needs
- **Expandable Elements** - Triple-ring and bridge elements allow you to create larger heating zones to match your cooking needs
- **Cooking performance** - Responsive ribbon elements allow you to simmer and saute precisely according to recipe; an infinite range of heat settings leaves plenty of room for improvisation
