- Dual-Flame Stacked Burners - Provide complete 140F simmer-to-rapid-boil flexibility on all burners; the burners are sealed to the cooktop for easy cleaning
- High-Output Cooking Power - Delivered by a 15,000 BTU burner, totaling 51,400 BTUs
- Silent, Precise Simmering - Delivers a consistent 140F temperature without cycling on and off; No simmer plate required
- Electronic Ignition - Ensures a continuous flame and reignites automatically if accidentally extinguished
- Hand-Machined, Stainless Steel Knob Controls - Rotate with smooth precision; A red indicator light embedded in each knob makes it easy to view and select heat settings
- Interlocking, Continuous Grates - Create a steady surface for cookware and are integrated into the cooktop for a clean, finished appearance
