

# MONOGRAM 24" FULLY INTEGRATED WINE COLUMN REFRIGERATOR (PANEL READY)

ZIW241NBWII

## BUILT-IN WINE REFRIGERATOR

Achieve a seamless, fully integrated design with flush installation, enhancing the kitchen, home, bar, or entertainment spaces

## EXPANSIVE WINE STORAGE

Enjoy ample space to store a diverse collection of wines, accommodating up to 91 bottles for the ultimate wine enthusiast

## 13 FULL EXTENSION SHELVES

Elegant dark walnut and aluminum trim shelves extend fully, allowing for easy selection and accessibility of your favorite wines

## PANEL READY REFRIGERATION

Customize your wine refrigerator with stainless steel panels (sold separately) or match with your cabinetry using custom panels from your cabinet maker or contractor

## MULTIPLE WINE STORAGE MODES

Tailor storage environment to your collection with white, red, sparkling and cellar modes, ensuring optimal preservation for each type

## STATEMENT AND MINIMALIST COLLECTION HANDLES

Elevate the design of your wine refrigerator by selecting handles from one of Monogram's collections (sold separately)

## DISPLAY SHELF

Showcase your favorite wines or keep planned pairings easily accessible with a dedicated display shelf and light setting

## DUAL ZONE WINE STORAGE

Provide consistent and precise temperatures throughout the upper and lower compartments with dual evaporators and temperature control

## AIR FILTRATION

Keep both zones fresh to protect the flavors of your wine with activated carbon filters that help remove odor and ensure proper circulation

## RAMP-UP LED LIGHTING

Enhance the aesthetic of your wine collection with ramp-up LED lighting featuring four different settings
