- Under-cabinet or stand-alone installation - The chimney hood installs flush under a cabinet, above most cooktops and ranges. For a more contemporary look, the system can be wall-mounted with matching 8-to-10-foot duct cover
- Low-profile design. High-impact style. - The retractable, glass canopy is sleekly styled with a streamlined design, seamlessly finished edges and front-mounted touch controls
- Powerful ventilation - A four-speed, 500-CFM fan blower with boost option captures the smoke and steam produced by high-performance cooking equipment
- Multilevel halogen lighting - Six levels of intensity, from accent to ambient settings, allow you to choose the lighting to match the cooking task or occasion
- Easy maintenance - Stainless steel filters can be easily removed for safe cleaning in your dishwasher
- Recirculating kit - Included for applications that do not allow outside venting

GE Monogram® 36" Slide-Out Hood

Model# ZV800BJBB

Note: The vent hood canopy extends forward 5-7/8\"

The vent hood must be installed 24\" min., and 30\" max. above the cooking surface. The telescopic duct cover conceals the ductwork running from the top of the hood to the ceiling. The duct cover is sized to reach 8 ft. to 10 ft. ceiling heights.

The hood installation height, from the cooking surface to the bottom of the hood, depends upon ceiling height.

Installation Information: Before installing, consult installation instructions packed with product, or available online at monogram.com, for current dimensional data.

*The Supplied Duct Cover Fits 8 ft. to 10 ft. Ceiling Heights

APPROXIMATE DIMENTIONS (HxDxW)
