

Lav mixer / Mitiguer lavabo / Mezclador para lavabo

This exploded view diagram illustrates the assembly of a mechanical device, likely a pump or actuator. The components are numbered 1 through 14:

- 1**: A circular end plate or flange.
- 2**: A long shaft or rod passing through the end plate.
- 3**: A nut or lock washer on the shaft.
- 4**: A complex assembly including a seal or O-ring and a small pin or clip.
- 5**: A small cylindrical component, possibly a pin or a small bush.
- 6**: Two small O-rings or seals.
- 7**: Two threaded pins or bolts.
- 8**: A circular flange or end plate at the opposite end of the shaft.
- 9**: A small pin or clip used to secure the shaft assembly.
- 10**: A long, tapered cylindrical component, possibly a piston or a plunger.
- 11**: A small pin or clip.
- 12**: A small cylindrical component, possibly a pin or a small bush.
- 13**: A small cylindrical component, possibly a pin or a small bush.
- 14**: A rectangular block or housing that serves as the main body of the assembly.

The diagram shows the relative positions and assembly sequence of these parts, with lines indicating how they fit together.
