GE Profile™ 19 Cu. Ft. Built-in Capable Single Door
All Freezer, ENERGY STAR®

Built-in Capable

Create the sleek look of a built-in freezer with the addition of one of our trim kits. Install the all refrigerator and all freezer products together for a striking side-by-side design, or place them separately to fit your unique kitchen layout.

Large Storage Capacity

Enjoy 19 cu. ft. of freezer space with generous room for frozen favorites and everyday essentials. Pair with the matching all refrigerator for an impressive 38 cu. ft. of combined storage.

LED Light Wall

Easily find even the smallest items with a showcase LED Light Wall. Bright, uniform lighting illuminates every shelf to provide enhanced visibility throughout the freezer.

FlexIce™ Drawer

Personalize your ice and freezer storage with the FlexIce Drawer. An adjustable divider offers five ice capacity settings ranging from 10 to 18 lbs., allowing you to dedicate the remaining space to frozen favorites.

Integrated Icemaker

Always have ice on hand with an included icemaker in the freezer.

Extra-Large Adjustable Door Bins

Customize your storage with extra-large door bins featuring chrome metal accents that adjust up or down to accommodate tall frozen food boxes, gallon containers, and everyday freezer essentials.

Full Extension Storage Drawers

Four full extension storage drawers with dedicated LED lighting provide smooth operation and make it easy to find frozen foods.

Adjustable Glass Shelves

Adapt your freezer to fit your needs with adjustable glass shelves that make room for everything from stacked frozen pizzas to oversized food packages.

Built-in WiFi Powered by SmartHQ™

Stay connected to your freezer from anywhere with the SmartHQ™ app. Receive high-temperature and door-open alerts, adjust temperature settings, customize LED Light Wall brightness, and more.

Internal Controls

Conveniently adjust temperature settings, activate Turbo Freeze, and turn off the icemaker with sleek internal controls that preserve the freezer's clean exterior.
