Important Notes

1. Cabinet can be made in 4 standard depths as listed below.
Purchase order must clearly specify which depth you are ordering.
Example: **DC18-23WMP** for **KIRA**
 - 1.1- **Full depth 21 ½"** - to match vanities for STONE countertops
 - 1.2 - **KIRA** depth – to match vanities made for KIRA ceramic sink
 - 1.3 - **TRIBECA** depth - to match vanities made for TRIBECA ceramic sink
 - 1.4 - **MILANO** depth - to match vanities made for MILANO ceramic sink
2. We can also make the curio in 'CUSTOM' depths at a 10% upcharge. Please specify overall depth (including doors).
3. 'Blum' (or 'Blum' equivalent) drawer hardware is included in above 4 standard depths (which are over 18" deep).
4. Drawers for curio cabinets 18" deep or less, are made with white melamine box. List price will be reduced by \$ 100 per drawer. Please specify clearly on your PO#.
5. Single door cabinets - are made standard with doors 'Hinged Right'. If you need Left Hinged', please specify clearly on your PO#.
6. There is an adjustable shelf behind each door.
7. We will not accept cancellation due to non-matching depths between vanity and curio.
