Electrolux

The New Collection from the premium kitchen appliance brand that has been used in Europe for over 70 years

features

Wave-Touch™ Controls

The Wave-Touch™ control panel offers the most wash and dry cycles/options,¹ including three “My Favorite” settings and a wash stain menu with 21 settings.

Largest Capacity Washers and Dryers²

Wash and dry the most in one load.

Fastest Wash and Dry Times³

18 minutes to wash, 18 minutes to dry — so your clothes are ready before you are.

front load washers

Perfect Balance™ System

State-of-the-art technology keeps even oversized wash loads balanced for smooth, quiet operation.

AquaLux™ Wash System

Energy-efficient wash system is gentle on the environment and on clothes.

Eco-Friendly

Gentle on the environment as they are on your clothes. Wave-Touch™ Control models are 83% more energy efficient⁴ and use 56% less water.⁵

front load dryers

Perfect Steam™ Dryer:

The latest technology steams out wrinkles and freshens clothes. (Select models only)

Perfect Tumble™

Exclusive technology offers the gentlest drying for clothes.⁶

Luxury-Dry™ System

Exceptional temperature control helps protect fabrics and keeps clothes looking great.

¹Based on manufacturer specifications.

²Based on manufacturer specifications.

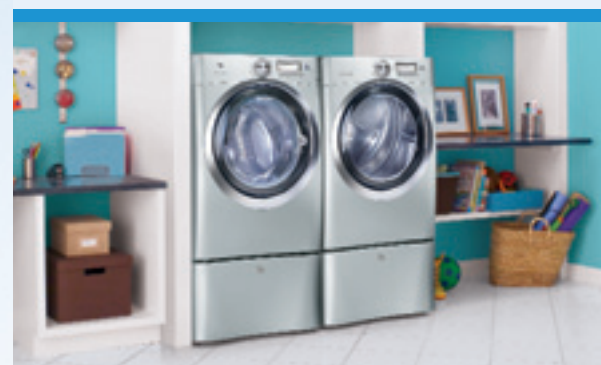

³Fastest time based on smallest load/Fast Wash and Fast Dry cycles.

⁴Energy efficiency based on current DOE Federal Minimum standard for washers based on MEF.

⁵Water Savings based on DOE ENERGY STAR® energy savings calculator.

⁶Lowest cloth temperature on 8 lb. permanent press load.
