

Timeless design.

A milestone model for Falmec that stands the passing of time, thanks to its streamlined, technical and always up-to-date design, distinguished by the visible steel filter. A line of light, placed in the front, gives the kitchen a pleasant lighting effect. The powerful motor, with electronic control panel, provides excellent suction performance. In addition, in the version equipped with exclusive NRS (Noise Reduction System) technology, the Lumen hood achieves incredible levels of silence.
