GTW860SSJ/SPJ

GE® 5.1 DOE cu. ft. capacity washer with stainless steel basket

Features and Benefits

- WiFi Connect - Check washer progress from your smartphone with an app that lets you monitor cycles and settings, download custom specialty cycles and receive alerts when clothes haven't been removed
- SmartDispense™ technology - The washer can hold about a two-month supply of detergent and fabric softener and automatically dispense the right amount for each load
- Sanitize with Oxi - Remove 99.9% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best
- Time Saver - An option that will reduce overall wash time on most cycles by at least 20% without sacrificing wash performance
- Wash action waterfall - Loads receive thorough coverage with this waterfall that combines with a recirculation pump to move water and detergent through clothes
- Stain Removal Guide - Assists removing tough stains with preprogrammed settings that modify your cycle to treat the four most common stains
- Soft-close glass lid - The convenience of hydraulic technology allows the lid to close gently every time
- LED washer basket light - Find every last sock with a bright LED light that effectively lights the wash basket
- Clean Speak Communication System - Perfect drying performance is achievable thanks to the ability of the washer to communicate with the dryer to preset the dry cycle
- ENERGY STAR® qualified and CEE Tier III meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
- Quietpack - Enjoy a powerful clean that you won't hear thanks to noise-dampening material that holds in sound for a quieter cycle
- Model GTW860SSJWS - White
- Model GTW860SPJMC - Metallic Carbon

Modified Energy Factor (MEF)	2.43
Water Factor (WF)	3.9
