

OUTDOOR—REFRESHMENT

24"W. Built-In & 41"W. Built-In/Portable Refreshment Stations

Standard Features & Accessories

All models include

- Agency-certified for outdoor use
- High shelf ideal for storing various shapes of serving glasses and stemware.
 - Guardrail keeps glass from falling off backside.
- Commercial-style appearance/design
- Coldwater sink
 - Professional-style faucet
 - Sink can be plugged and used for bottle bath
- Condiment trays—four shallow stainless steel 6"W. x 4"D. bins are dishwasher-safe
- Cutting board and wire grate slide within each other to give you access to the sink/bottle bath at any time

- Insulated bottle bath located under countertop holds large amounts of ice, keeping drinks cold
 - Speed rail holds five standard-sized wine or liquor bottles
 - Bottle opener with cap catch
- VBRS/VP RS411 models include**
- Bottle bath holds 2 cases of drinks
 - Additional large bin behind sink can hold or "ice" your juice mix, wine bottles, creams, etc. (capacity for 2-liter and 1-gallon containers)
 - Insulated bin (removable) for fresh ice supply slides toward back of unit for access to bottle bath
 - Large-capacity storage drawer protects items against the elements

- Bin can be removed for easy cleanup, and has the same dimensions as the fresh ice bin
- VP RS411 model includes**

- Pullout trash container (removable)
- **VP RS411 model includes**
- One 16" x 24" fold-down side shelf (on left, as you face unit)
- One 41"W. x 9"D. fold-down shelf in back provides additional surface area
- Four heavy duty casters provide maneuverability as well as stability
- Wastewater collection container
