

MODENA wall

Resembling a floating island made of steel and glass, Modena houses the most advanced Bloom™ HD LED light bulbs and electronic LCD controls within its one-inch stainless steel canopy. Nestled discreetly between the chimney and its outer ring, Modena's glass canopy adds a sense of lightness and augments the range hood's symmetry and low-profile design. A study in clean modern simplicity, Modena comes pre-loaded with DCBL Suppression™ technology so its performance will be as stunning as its looks.

MODEL	SIZE	INTERNAL BLOWER		IN-LINE/EXTERNAL
