## Dimensions

Depth	24 11/64"
Height	Ⓐ 35 17/32 - 36 7/32"
Width	Ⓑ 23 7/8"

## Features & Benefits

### Precise Control

Generous metal control dials with a simple, functional interface are positioned on a full stainless steel control panel for precise control over cooking temperatures.

### Perfect Results

Professional performance is delivered by powerful gas burners on the cooktop and eight oven functions — perfect for any culinary requirements.

### Sized to Suit

Our 24" Ranges are conveniently sized, with 1.86 cu.ft of useable oven capacity and a built in warming drawer.

### Easy Cleaning

The gas cooktop is made from a single piece of stainless steel that contains spills to be simply wiped away, while the self-cleaning oven function and easily removable oven door make cleaning easy.

### Safe and Sound

Five-pane oven doors help keep the heat where it needs to stay. Streamlined cast iron trivets on the cooktop let you slide pots and pans without lifting them.

### Designed to Match

This Range is designed to complement the Fisher & Paykel kitchen product family with clean lines of black glass and stainless steel.
