Black Stainless Steel

Signature Features

COUNTER DEPTH

- More capacity, smaller floor space.
- Our 22 cu. ft. capacity 4-Door Flex™ has enough room to fit up to 22 bags of groceries.¹
- Stylish counter-depth design allows for more workable space in the kitchen.

¹Grocery comparison based on each cubic foot of usable space equaling one paper bag.

FOOD SHOWCASE WITH METAL COOLING

- Innovative door-in-door design gives easy access to on-the-go items such as drinks and condiments.
- Stainless steel paneling locks in cold and seals in freshness while maintaining consistent temperature throughout the refrigerator.

FLEXZONE™ DRAWER WITH METAL COOLING

- Counter-height drawer is optimized for family organization with easy access for kids.
- Adjustable Smart Divider and four customizable temperature control settings from Chill to Soft Freeze.

22 cu. ft. Counter-Depth, 4-Door French Door Refrigerator

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.
