

PLE19RBYZSS

GE Profile™ 19 Cu. Ft. Built-in Capable Single Door
All Refrigerator, ENERGY STAR®

Built-in Capable

Create the sleek look of a built-in refrigerator with the addition of one of our trim kits. Install the all refrigerator and all freezer products together for a striking side-by-side design, or place them separately to fit your unique kitchen layout.

Large Storage Capacity

Enjoy 19 cu. ft. of refrigerator space with generous room for fresh foods and everyday essentials. Pair with the matching all freezer for an impressive 38 cu. ft. of combined storage.

LED Light Wall

Easily find even the smallest items with a showcase LED Light Wall. Bright, uniform lighting illuminates every shelf to provide enhanced visibility throughout the refrigerator.

Internal Water Dispenser

Enjoy convenient access to fresh, filtered water with a one-handed paddle dispenser discreetly located inside the refrigerator.

Premium Water Filtration

Included premium refrigerator water filter reduces lead, chlorine, microplastics, PFOA/PFOS, and other impurities (replacement filter sold separately).

Extra-Large Adjustable Door Bins

Customize your storage with extra-large door bins featuring chrome metal accents that adjust up or down to accommodate tall bottles, gallon containers, and everyday essentials with ease.

Full Extension Storage Drawers

Four full extension storage drawers with dedicated LED lighting provide smooth operation and make it easy to find fresh favorites

Adjustable Glass Shelves

Adapt your refrigerator to fit your needs with adjustable glass shelves that make room for everything from tall pitchers to party platters.

Built-in WiFi Powered by SmartHQ™

Stay connected to your refrigerator from anywhere with the SmartHQ™ app. Receive high-temperature and door-open alerts, adjust temperature settings, check water filter status, customize LED Light Wall brightness, and more.

Internal Controls

Conveniently adjust temperature settings, activate Turbo Cool, and receive water filter reminders with sleek internal controls that preserve the refrigerator's clean exterior.
