ZTR-M90S

At Zephyr ventilation, we recognize the kitchen is the center of your home.

So for us, good design isn't an afterthought or a luxury, it's an invitation to be a little different. Quiet, efficient and modern, each of our high performance ventilation hoods is thoughtfully designed to bring a distinctive presence to any kitchen.

Because even though it's the center of everyday life, who says your kitchen has to feel so everyday?
